Parents	Passport Panadol Camera Phone Charger Sunscreen toiletries		Clothes + 1 x cooler weather Footwear Hat Sunglasses Underwear	Pj's Ear plugs	Togs Thongs Sarong	Book Headphones	Laptop Powerboard Fiji Cash Docs Pen	

* TIPS:

- Nappies – enough for your duration
- Plastic bags to carry home your wet stuff in or soiled items, Zip lock bags came in very handy for transferring food when we were taking day trips
- Formula – take a whole tin as you don't want to run out!
- Baby food – enough for your duration but pre packaged stuff as you might have problems bringing other food into fiji – we declared ours at the border and had no issues
- Stroller – bring a cheap one that is light
- Baby carrier for when you don't want to push a pram on the sand
- Bonjella incase they are teething (nothing worse than a teething baby)
- Dishwashing liquid or buy it at the corner stores which is what we did
- If you are travelling somewhere other than Fiji take a travel adaptor. Fiji uses Australian ports
